## "CURED"

"Cured" the Cornelius way assures the best results and quality.

Our soil is a heavy sandy loam soil that enables us to produce a ball that is compact thus assuring an unbroken ball. Our farm is irrigated from our own lake and this enables "controlled" moisture and growing. Our lake is supplied by a large deep well and a "safety factor" of evaporation and use is maintained in order to have an ample supply of water on hand at all times.

We are able to dig the year 'round in our soil and the manner by which our trees and shrubs are "cured" assures the minimum shock and wilt.

Constant research and new ideas are pursued in order to produce larger quantities and most of all to produce a better quality of plant material.

In order to assure our friends of a constant supply of CONTAINER GROWN plants, we "can" the year 'round. For greater profits, plant anytime.

We appreciate your business.

---

---

# TERMS AND CONDITIONS

**TERMS:** We offer usual terms to those of known responsibility. Where the purchaser's credit responsibility is unknown to us, cash is required with each order. On all C.O.D. shipments one-fourth cash must accompany your order. Cash payments or payments in full are final and are not subject to refund except in cases of overpayment.

**PRICES:** All prices listed are F.O.B. our FARM on Farm Road 1960 just North of Houston. Prices listed herein are subject to change without notice.

**SHIPPING:** Customers are requested to give definite instructions with order.

**CLAIMS:** All claims must be made immediately upon receipt of merchandise or stock. Our responsibility ceases upon delivery in good condition to your truck or to the transportation company and when delivered by our vehicles upon delivery to destination.

**SUBSTITUTIONS:** We make no substitutions unless instructed by the purchaser.

**GUARANTEE:** We guarantee our stock to be well grown, true to name, properly packed and shipped according to instructions. We give no guarantee, expressed or implied, as to the life or productivity of our stock nor are we responsible for stock purchased and left in our nursery. In no case shall our liability be more than the invoice or greater than the deposit.

**NOTE:** We accept all orders subject to weather and crop conditions and on condition that orders be void if such occurs beyond our control and prohibits fulfillment of orders.

We will be glad to quote a delivery price on request.
